NORDSON CORPORATION Global Sales and Service Directory

Nordson Corporation
Corporate Headquarters
28601 Clemens Road
Westlake, Ohio 44145 U.S.A.

Nordson Corporation is one of the world's leading manufacturers of equipment used for precision dispensing, testing and inspection, surface preparation and curing. Nordson's technology-based systems can be found in production facilities around the world. Nordson serves many diverse markets, including the appliance, automotive, bookbinding, container, converting, electronics, food and beverage, furniture, life sciences, medical, metal finishing, nonwoven, packaging and semiconductor industries.

Nordson's strategy for long-term growth is based on a customer-driven focus and a global mindset. Headquartered in Westlake, Ohio, Nordson markets its products through a network of direct operations in 30 countries. Consistent with this strategy, more than two-thirds of Nordson's revenues are generated from outside the United States.

Nordson has more than 4,000 employees worldwide. Principal manufacturing facilities are located in the United States in California, Georgia, New Jersey, Ohio and Rhode Island, as well as in China, Germany, India, The Netherlands and the United Kingdom.
